The Dream Center (The Metropolitan Dream Center, Inc.) is organized by law as a 501c3 organization, being non-profit, tax exempt and approved for doing social and charitable services.

Our leader (Margaret James of Dallas) has over forty years experience in social work.

We are faith based and our mission is to help the less fortunate of our communities.

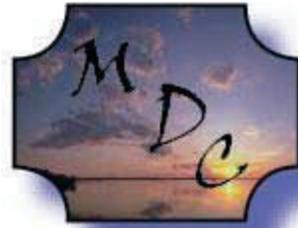

As a group of volunteers, pastors, churches, and other non-profit community based organizations, MDC provides and hosts relevant services throughout the year in order to help those facing crises.

Our services and programs are designed to seek out, find, and help those individuals who are hurting and in need.

Visit our website at www.MetropolitanDreamCenter.org and find an event to attend or program to support.

Volunteer and touch someone's life as God touches yours.
